We informed our Samaj members that we are open to suggestions.

We requested all members of the Samaj to actively participate and help us out in any way possible

The collection of funds was made without any fixed monetary value.

We foresee the Samaj for the future, where:

- a) One can help by devoting free time as volunteer;
- b) One can give us a few words of encouragement;
- c) People are free to contribute with what they can and there is no imposition for that purpose.

On behalf of the Management Committee of Diu Vanza Darji Samaj UK,
The Vice-President
Dipac Canacsinh
